Defendant's letter of January 13, 2021, docketed only in 21-cv-0052 though captioned in both cases, seeks relief in both cases. It was not, however, docketed as a motion in either.

As defendant has requested, that letter will be treated as a motion in both cases. Plaintiffs shall file any response no later than January 27, 2021. Any reply papers shall be filed no later than February 3, 2021.

SO ORDERED.
